this wild scheme, now she was embarked on it. There was no telling. She was solemnly, heavily supposed to be, so they sailed on with seven other ships, south a ways, and met up with a fleet."So?" said the Namer, more drily..The Kargs are deeply resistant to writing of any kind, considering it to be sorcerous and wicked. They keep complex accounts and records in weavings of different colors and weights of yarn, and are expert mathematicians, using base twelve; but only since the Godkings came to power have they employed any kind of symbolic writing, and that sparingly. Bureaucrats and tradesmen of the Empire adapted the Hardic runes to Kargish, with some simplifications and additions, for purposes of business and diplomacy. But Kargish priests never learn writing; and many Kargs still write every Hardic rune with a light stroke through it, to cancel out the sorcery that lurks in it..Roke; and the man Otter or Tern came from there, though originally from Havnor; and they held him."I don't care what's "allowed"," he said, with a frown she had never seen on his face.
