One of the gifts of power is to know power. Wizard knows wizard, unless the concealment is very.Early raised his hand to lay the binding spell on him. His hand was stayed, held immobile half lifted at his side..Telio, in the twilight, beside the wall of stones..When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage..From time to time in the years since then, Dulse remembered how he hadn't lost his temper when Silence asked about keeping goats; and each time the memory gave him a quiet satisfaction, like that of finishing the last bite of a perfectly ripe pear..Dulse had the big lore-book open on the table. He had been trying to reweave one of the Acastan Spells, much broken and made powerless by the Emanations of Fundaur centuries ago. He had just begun to get a sense of the missing word that might fill one of the gaps, he almost had it, and-"You might keep some goats," Silence said..want to stay alive. I'll see that you're sent there. If you'll go.."naming truly, is a great power. To know the true name is to have power, as you know, mistress. And."There, you see -- did you know in which direction the water flowed before it. . . ?"."And I in my tower," said the Namer. "And you, Herbal, and the Doorkeeper, are in the trap, in the Great House. The walls we built to keep all evil out. Or in, as the case may be."King Maharion himself, the story says, journeyed to Selidor to "weep by the sea." He retrieved Erreth-Akbe's sword and set it atop the highest tower of his palace..she did not speak..witches learn a few words of it; wizards learn many, and some come to speak it almost as fluently.glass there opened colored, lighted malls with transparent ceilings, ceilings trod upon."We went farthest east," Azver said. "But do you know what the leader of an army is, in my tongue?".stone, until they thought him tamed. Then they sent him away to live at the stables of the great.and hull. Surely that was using the secret art to a good end? For harm, yes, but only to harm the.smoke he saw far down the shore. Behind him were the tracks of an otter's four feet coming up from.under the eaves making soft, shrewish remarks about rain..were often those already outcast, crippled, deranged, without family, old-women and men who had.of place. They were worshiped at the site and at home altars with offerings of flowers, oil, food..It was true. He knew her name: Irian. It was like a coal of fire, a burning ember in his mind. His."So," he said, "now he makes you his reason for our meeting. But I will not go to the Great House. I will not be summoned"..said, "Let us have the witch"..spells woven about other buildings of the place, especially around a tall stone tower, filling the.little valley called Trimmer's Dell, the true name of which in the language of the Making was.regret her rash invitation, and I wanted to make things easy for her..lead the rites. Without suppressing the worship of the Old Powers, the priests of the Twin Gods."And you?" she asked..teasing laugh of the girl and stood like a block of wood, rooted in the sand, not knowing whether."I will," he said, to comfort her..I rolled up my sleeve and showed her..It seemed that from Roke Knoll the whole extent of the Grove could be seen, yet if you walked in it you did not always come out into the fields again. You walked on under the trees. In the inner Grove they were all of one kind, which grew nowhere else, yet had no name in Hardic but "tree" In the Old Speech, Ember said, each of those trees had its own name. You walked on, and after a time you were walking again among familiar trees, oak and beech and ash, chestnut and walnut and willow, green in spring and bare in winter; there were dark firs, and cedar, and a tall evergreen Medra did not know,

with soft reddish bark and layered foliage. You walked on, and the way through the trees was never twice the same. People in Thwil told him it was best not to go too far, since only by returning as you went could you be sure of coming out into the fields..asked them..He nodded. "Left myself halfway," he said. He looked up; the Patterner was coming towards them, wide awake now..Then he was back in himself, with the fierce hurt in his arm and hip and head, sick and dizzy in the blind blackness. When he moved, he whimpered; but he sat up. I have to live, he thought. I have to remember how to live. How to make light. I have to remember. I have to remember the shadows of the leaves.. "I forget-I always forget," he said, downcast again. "I forget the walls of the prison. I'm not." "Lost with Ath when he went into the west," Crow said.. "What did you want, Diamond?". The evil reputation magic had gained during the Dark Time, however, continued to cling to many of.. What do I want? she asked herself, and the answer came not in words but throughout her whole body.. the day he returned to the Great House, agreeing to come back with the Doorkeeper in the morning.. said, "Might be a good idea. Come to Roke. Safer." "Yes," he said with a smile. Then he winced and stopped to press his hand against his shin for a moment.. thought it was the beginning of a great forest like Faliern on Havnor, and then did not know why.. Gelluk was used to hearing people say the words he had put in their mouths, if they said anything at all. These were words he wanted but had not expected to hear. He took the young man's arm, putting his face very close to his, and felt him cower away.. As if to illustrate what he was saying, he had picked up a bit of brick from the broken pavement, and tossed it up in the air, and as he spoke it fluttered about their heads on delicate blue wings, a butterfly. He put out his finger and the butterfly lighted on it. He shook his finger and the butterfly fell to the ground, a fragment of brick.. "But you can't have me without the music.".. highly comical way; this melee of forms, although devoid of faces, heads, arms, legs, was very.. a glimmering track behind it a moment in the air above the hearth stone. "Now I'm off to the cow.. got a girl, a town girl, to come to my room. My cell. My little stone celibate cell. It had a.. light?" But he could not. He crawled in the dark till the sound of water was loud and the rocks.. find the center. That's the question to ask. That's what to do..." As he muttered on to himself.. behind them emerged majestically slow, huge surfaces filled with people, like flying stations.. good house." After a while he thought, "I might keep some goats.".. work undone, to be a vagrant musician, a harper twanging and singing and grinning for pennies --..
